# THE LEAGUE

## Welcome to the SCFL!

The Southern California Football League (SCFL) in conjunction with the La Belle Football Conference was launched in the fall of 2016 with the goal of empowering players to pursue an eventual professional career in professional football and allow them to set a positive example for the members of their communities. Currently with 10 franchises that cover three different states (California, Nevada, and Arizona), the SCFL is regarded as the most powerful minor league in all of America.

The SCFL is also a federally recognized 501(c)3 Not-for-profit organization. The SCFL is also home to 4 of the strongest teams in the United States which has allotted the league champion an automatic bid to the coveted USFA National Championship game. With over 1,500 participating teams nationwide, SCFL teams will play a competitive 10 game schedule followed by playoffs, league championship game, and a regional championship game.

## WHO ARE THE BLACKHAWKS...

Welcome to Inglewood, California – The City of Champions. Home of Hollywood Park and the Fabulous Forum where the NBA Lakers and Clippers, the NHL Kings and the WNBA Sparks played. Inglewood is also the home of the 14-Time Conference and USFA 2011 and 2012 National Champion Inglewood Blackhawks Minor League Professional Football team.

### ABOUT US:

The Inglewood Blackhawks are a professional developmental adult football team. As part of the Southern California Football League (SCFL), we have built a rich tradition resulting in one of the finest professional developmental football programs in the United States. We provide our players with an opportunity to enhance their skills and secure needed game film as they work to transition into top-level professional football. Our games attract scouts, sponsors and coverage from media outlets such as ESPN, KCAL-9 Sports Central, The KTLA Morning News and the USA Network.

### GIVING BACK

For our fans we provide professional level, hard hitting football. But we are also a locally-owned, community-based organization that believes in giving back to our community – specifically to the young men and women who live within it. You will routinely find us at local events including neighborhood and city charity functions, children's hospital, library reading programs, elderly care homes and youth sports programs. Whether in our out of uniform, we encourage and promote our players and dancers to be a positive example to the community and the world.

### TEAM MANAGEMENT

Blackhawks owner Tony Reid has set a great standard for Minor League Football. Reid was inducted into the Minor League Football Hall of Fame in 2005 where he was honored as one of the top Executives on the West Coast. He has two "Executive of the Year" honors while being chosen "Owner of the Year" in 2001, 2005, 2006, 2010, 2011, 2012 and 2015. He was also selected as the "Far West Executive of the Year" in 2010. In 2007, Minor League Football News selected Reid as the National Commissioner of the Year for making the LCFL West the premier league in the country.

### LADYHAWKS

In addition to a football program that has sent over 50 players to collegiate and professional football teams, we entertain our fans at home games with the Ladyhawks dance team. Patterned behind professional dance teams in the NFL and NBA, the Ladyhawks are proud to have sent five young women on to secure spots with the Laker Girls, Clipper Girls, (San Diego) Charger Girls and the Chivas Dance Team. Ladyhawks alums can also be seen performing on Broadway in New York and on Princess Cruise Lines stage entertainment.

D'neez Westmoreland, Director of Ladyhawks has been involved with cheerleading and dance teams for over 30 years. As part of the United Spirit Associations professional staff (USA) and a former head cheerleader for the nationally ranked CSU, Sacramento stunt team, D'neez has choreographed and coached on several high school, all-star and collegiate programs including the competition teams at the University of Southern California (USC). Prior to his work with our organization, he created two Southern California professional dance teams for the ABA (Minor league professional basketball). D'neez has directed the Ladyhawks for the past 6 seasons.

### OUR GAMES

In addition to head-to-head top ranked football and a dance team that rivals some of the best NFL and NBA teams, we work with local high school marching bands and cheer/drill squads that are often featured at our halftimes. We also work with a local DJ to further enhance the game experience for our fans. Let's not forget about our great Mascot, "Billy the Blackhawk". All-American quality, family-friendly entertainment brought to you for a fraction of the price you would pay for other professional level events, concerts and movies. Kids under age 7 are admitted free.

# BLACKHAWK ALUMNI

Players that have been moved on to the professional ranks as well as 4 year Institutions
